

From near the bottom of Black Bull Road, turn into Linden Crescent, then right into Dawson Road. Next, turn right into Shepway Close. After a short distance you will see a row of houses on your left. Please park in the road there, or just round the corner in the parking area. There is a short, wide footpath beside these houses, leading from Shepway Close, to the Shepway Close Centre, which you will see as a large rectangular building on your right. The entrance is on the long side of the building on your right. (Do not access via Brambledown / Peto Close, as this is residents parking only.)
